

# April

## English Language Arts

There will be no new phonics this week. Our new sight words are:  
**already, between, break, head, second.**

## Bits & Pieces

\*Mrs. Saylor's class did a great job with the play last week!

\*\*Knauss and Armas Final Performance: this Friday, April 26th at 8:45.

## Math

This week we continue in Module 6. We will learn to name solid shapes and describe their attributes, reason about the functionality of 3D shapes based on their attributes, create new composite shapes by adding a shape and combine identical composite shapes. *New homework books are coming home today.*

*\*This Friday is our next spirit day- Disney Day!*

*\*\* Save the Date: Friday, May 24th is a minimum day for students.*

*\*\*\*Save the Date: Open House will be held the evening of Wednesday, May 29th.*

In science, we continue to learn about spinning Earth and space. Last week we focused on Earth. This week, we will focus on the sun!
